UNITUX CHEST ARMOR

FULL SLEEVE CHEST ARMOR

\$189.95-H

The Beastgear UniTux is designed for protection!

The Beastgear UniTux is designed for protection! The UniTux Upper Body Armor comes in two styles long sleeve and short sleeve. Designed to fit both men and women!

- Designed with ventilated polyester spandex fabric, with a secure fit, that is tough against wear and ripping, easy to wash
- ✓ The chest and abdomen areas have two layers of high-density perforated foam with high impact polyethylene strips. Designed to articulate with your body for comfort and protection
- Removable adjustable spine protector
- ✓ Dual synch kidney belt
- 6 mm (1/4") thick elbow and forearm protection, designed similar to hard hat technology - there is no direct impact to crucial areas.
- Air vents on the side of the elbow and the forearm expel air when there is an impact, preventing bruising, piercing and broken bones. Internal bruising is caused by vibration and external bruising is caused by air impact. Therefore the Beastgear system prevents both!
