| <b>Torco Unleaded Accelerator</b>  | 831-2800           | \$39.95-J     |  |
| <p>Torco Accelerator is not just another fuel additive. It's simply a RACE FUEL CONCENTRATE! With many of the same additives our winning race fuel possesses, Torco Accelerator is a blend of components which will transform the make up of premium pump gas to closely resemble race fuel. Torco Accelerator will lower the end burn temperature which will make your fuel burn more complete thus releasing all of the power that your engine has to offer.</p> |                    |               |   |

| <b>Torco MPZ Magnetic Friction Reducer</b>  | 831-2750 | \$19.95-H |  |
| <p>Torco MPZ MFR promotes increases in horsepower and torque, while reducing engine wear. This wear protection is provided by the boundary film layer that stays on engine parts to reduce frictional losses. MPZ MFR adheres to iron and steel surfaces where it is chemically absorbed and becomes part of the surface itself. MPZ MFR won't wash off, burn off or rub off. Proven to be a performance enhancing part by professional race teams and mechanics worldwide.</p> |          |           |   |
