

## MIKUNI FUEL PUMPS

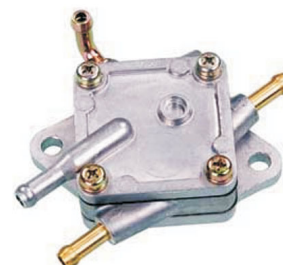

### Pulse Fuel Pumps

Mikuni Pulse Fuel Pumps employ an engine's fluctuating engine crankcase pressure to pump fuel tank to the engine's carburetor.

| TCI Part#                  | Price     | # Of Outlets | Style     | Mounting | Flow Rate(litre/hr) |
|----------------------------|-----------|--------------|-----------|----------|---------------------|
| DF44-227<br>(non-asbestos) | \$28.50-J | 1 (Single)   | Rectangle | Flush    | 14                  |
| DF44-211-D                 | \$28.50-J | 1 (Single)   | Rectangle | Flush    | 14                  |
| DF52-176<br>(non-asbestos) | \$38.95-J | 2 (Dual)     | Round     | Bracket  | 35                  |
| DF52-21-D                  | \$38.95-J | 2 (Dual)     | Round     | Bracket  | 35                  |
| DF52-73                    | \$38.95-J | 2 (Dual)     | Round     | Flush    | 35                  |
| DF52-92                    | \$38.95-J | 3 (Triple)   | Round     | Flush    | 35                  |
| DF52-136                   | \$38.95-J | 2 (Dual)     | Square    | Flush    | 31                  |
| DF62-702                   | \$65.95-J | 2 (Dual)     | Pentagon  | Flush    | 65                  |

Single - Rectangular - Flush
