

K&N CLEANING ACCESSORIES

K & N Sealing Grease

850-FG08

\$ 14.95-J

K&N Sealing Grease provides an airtight fit around sealing surfaces on all types of air filter elements. It resists heat and will not melt or run off. K&N sealing grease is not to be used on clamp-on filter elements.

- 6 oz tube x 12/case
- Sold individually

**K & N Cleaner / Degreaser**

850-CD5

\$137.95-J

K&N Air Filter Cleaner is the only cleaner formulated to clean K&N Filtercharger elements. The use of any other cleaning solution can void the filter's warranty, and quite possibly could damage the cotton material. K&N Cleaner works to dissolve the dirt build up and old filter oil, and can be washed away with water. Complete instructions on bottle.

NOTE: Do not use on polished or anodized aluminum.

- 5 gallon pail

**K&N Power Kleen**

850-CD32

\$ 15.95-J

K&N Power Kleen™ is a high-performance cleaner and degreaser used to remove road grime, engine exhaust and grease from cotton air filters. It is now formulated to clean those troublesome and demanding cleaning jobs. This cleaner is specially formulated to remove oil, lubricants, grease, grime, and other deposits from most surfaces including cotton air filters, painted surfaces, chrome, plastic and more!

- 32 oz Trigger Spray Bottle

**K & N Recharger Filter Care Kit**

A six-step maintenance system designed to clean any K&N Filtercharger® Air Filter. Restores air flow efficiency so your Filtercharger performs like new!
