

CARBURETOR TOOLS

Mikuni BN 30 lb Pop Off Pump

BN PMP

\$74.95-J

Gauge provides an accurate pop off pressure readings. The high pressure pump is very durable and easy to use. This pump is a must for tuning your carburetor.

Mikuni BN 100 lb Pop Off Pump

BN PMP100

\$74.95-J

Gauge & pump allow for readings on many stock carburetors with small needle valves and strong springs.

Mikuni Pocket Tuner

560-MK550

\$6.95-J

Mikuni has developed this handy slide calculator which can be used to determine the required jetting changes due to changes in altitude and /or ambient temperature.

- For both 2 & 4 stroke engines.
- Also has a guide for determining rich or lean carburetor conditions.

BRAKE TOOLS

Hydraulic Brake Bleeder Kit

722-8143

\$32.95-J

- Makes bleeding your brakes a one-person job
- Instructions included
- Will not bleed air from a dry system

IGNITION SYSTEM TOOLS

Ignition System Tester

722-8122

\$14.95-J

Motion Pro's ignition system spark tester is designed to test the integrity & strength of your ignition system. The larger the gap your ignition will jump, the stronger your system is. This unit will test the spark on most snowmobiles, motorcycles, water crafts, and ATV's.

- The spark gap is adjustable from 0 to 10 mm.
