### MUFFPOT

668-2110 \$49.95-H

The Muffpot is a great accessory or Christmas gift for any snowmobile enthusiast. It serves any PRE-COOKED food that you can think of, fried chicken, baked potatoes, fried shrimp, burritos, spaghetti, stir fry, hot dogs, hamburgers, the choices are limitless!

- Stainless steel (no toxic aluminum tasting food)
- Easily mounts to your exhaust pipe (instructions are enclosed)
- The Muffpot snaps off easily for serving and cleaning.
- Aluminum heat sink base provides uniform heating (no burnt food)
- Weighs less than 14 oz. It is 7" X 5" X 2"

## SURVIVAL AND SAFETY EQUIPMENT

*The chances of survival for an avalanche victim drop from 93% to 26% within the first 45 minutes. If the victim is found within the first 15 minutes, he has a 93% chance of survival. (Statistics: Brugger/Falk) An experienced person may locate the position of a person buried in an avalanche within 5 to 10 minutes.*

*During this time the chances of survival are the highest! BE PREPARED!*

**ESBIT® Pocket Stove** 668-2030 \$18.95-J

A compact (3"x4"x3/4"), lightweight (3.25 oz.), fold down, efficient cooking appliance for use in a wide variety outdoors situation.
