

CLYMER REPAIR MANUALS - MOTORCYCLE

Motorcycle Repair Manuals

- The most up-to-date aftermarket information available
- Information that helps you increase the life of your bike as well as its resale value
- Complete wiring diagrams for all models
- Quick reference data lists frequently used specifications on specially marked pages
- Each book features photos, illustrations and exploded views that guide you through every job
- Each book contains an easy-to-use index
- Detailed illustrations, drawings and photos help clarify each service procedure.
- Cautions, notes and warnings throughout each chapter pinpoint critical information that will save you time and help you complete your repair job safely.
- Numbered instructions guide you through every repair procedure step by step.
- Bold figure numbers help you quickly match illustrations with instructions.
- Handy thumb-tabs put the chapter you need right at your fingertips.
