

## K&N CUSTOM AIR INTAKES AND ASSEMBLIES

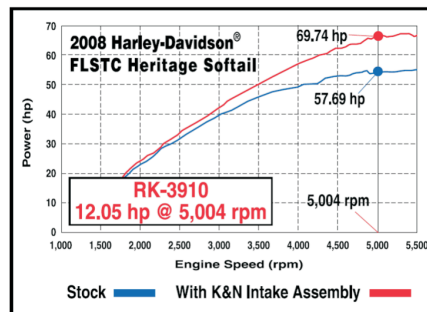

### RK Series Air Cleaner Assemblies - Harley-Davidson®

Get more horsepower from your Harley-Davidson® motorcycle. These air cleaner assemblies increase power by replacing the stock air filter and backplate with an oversized K&N Air Filter and custom aluminum backplate. This complete assembly fits inside the OE air cleaner cover maintaining stock appearance, and provides a significant increase in air flow, resulting in more power.

- Built-in breathers replace external OE breathers
- Dyna -tuned velocity stack optimizes airflow to engine
- Aluminum backing plate provides a solid mounting surface
