

FILTERS

XStream Air Filter - Designed for the Serious Racer

K & N's new universal clamp-on air filter, with the "XStream" top, enhances performance. Air flowing directly through the "XStream" top into the carburetor, actually pulls more air in through the side pleats for even greater performance efficiency. The "XStream" racing air filter provides absolutely the best filtration available. When racing in the Dust Zone racers need all the protection and airflow they can get.

Rubber End Cap Part #	Retail	Inside Diameter	Base Diameter	Top Diameter	Filter Length	Flange Length	Flange Angle	Flange Type
580-RX3810	\$109.95-J	62mm	114mm	152mm	156mm	16mm		Centered
580-RX3820	\$109.95-J		114mm	102mm	152mm	16mm		Centered
580-RX3770	\$97.95-J		114mm	152mm	156mm	51mm	20 degree	Angled
580-RX3800	\$89.95-J		114mm	102mm	152mm	51mm	20 degree	Angled

K & N Snowcharger

580-SN2530PK

\$25.95-J

SnowChargers® are the pre-filter answer to the snow that packs down into the pleats of your snowmobile air filter. Their special woven process repels snow and water instead of allowing the harmful moisture from soaking into the air filter. SnowChargers also deflect other debris such as grass, rocks and mud when grass track racing or crossing snowless trails. SnowChargers offer minimum restriction, yet allow optimum airflow and are easy to clean and return to service.

- 2 7/16" ID x 3 3/4" Filter Base x 3" Filter Top x 4" Filter Length
- 20° flange

K & N CHEMICALS

- Specially formulated to work in combination with cotton fabric in K & N air filter elements providing a superior air filtration system.
- When used as directed, it quickly penetrates the filter pleats, where it remains suspended in the cotton fabric.
- Saturation is maintained until the element is eventually cleaned with K & N's Filter Cleaner and Degreaser.

Recharger Kit

8 oz. Squeeze Oil, 12 oz Filter CleanerS

850-RK02 \$17.95-J

6 1/2 oz. Spray Oil, 12 oz Filter Cleaner

850-RK01 \$17.95-J

K & N Air Filter Oil

Squeeze - 8 oz.

850-F008 \$ 6.95-J

Aerosol - 12 oz.

850-F012 \$11.95-J

SPI Universal Pre Filters

\$10.95-H

- Water repellent , black nylon

LENGTH	DIAMETER	TCI PART #
7"	3.75"	598-9950
