**Uni Filter Wraps**

\$12.95-J

- Uni foam filter wraps are designed to fit tightly over your gauze or foam filter element. When OILED, the filter wrap will stop all dirt and sand and provides excellent protection against water and mud. When used DRY, the filter wrap is an excellent pre-filter that prevents dirt build up and extends the life of your original filter. Uni filter wraps will not restrict air flow and can be easily washed.
